

# Can i buy a car with a large storage capacity

<div class="df\_qntext">Which SUV has the most cargo space?

The Chevrolet Traverse is the midsize SUV with the most cargo room, providing 97.6 cubic feet of maximum cargo space. Which large SUV has the most room? The Chevrolet Suburban and GMC Yukon are the large SUVs with the most maximum cargo room. Both SUVs have 144.5 cubic feet of cargo capacity with the second and third rows folded.

<div class="df\_qntext">Should you buy a large SUV?

Large SUVs don't suffer from these problems, particularly the extended-length models. For going on vacation or carrying the basketball team's starting five, these models can swallow up all your belongings while filling every seat--and often when also towing a trailer.

<div class="df\_qntext">Do electric cars have front storage space?

While this electric vehicle doesn't include front storage space, the sleek interior design maximises passenger comfort with roomy dimensions. The functional cargo area features a flat floor and wide access point, perfect for families who need to store bulky luggage.

<div class="df\_qntext">Does a large SUV have a cargo room?

Though there are other large SUVs that we've tested, their usable cargo room is less than that of the best mid-sized SUVs. Each SUV comes standard with automatic emergency braking (AEB), AEB that works at highway speeds, blind spot warning (BSW), and rear cross traffic warning (RCTW) unless otherwise noted. Not every vehicle is recommended.

<div class="df\_qntext">How much storage does an electric SUV have?

We've ranked them in order from most to least spacious based on their official storage capacity measured from behind the front seats with the rear seats folded. The electric SUVs listed here come from compact, mid-size, and luxury segments, span a wide range of price points, and all have at least 60 cubic feet of cargo capacity.

<div class="df\_qntext">What is cargo capacity?

Cargo capacity is the volume enclosed by that box. This gives consumers a better idea of the cargo they can fit in the back, whether it's luggage, a new dishwasher, or a big-screen TV. (Learn more about how Consumer Reports tests cars .) Below, we've identified the large SUVs with the most usable cargo room based on our testing process.
