

Chain restaurants that can store value

<div class="df_qntext">Is Starbucks the world's most valuable restaurant brand?

LONDON, 20 March 2024 - Starbucks is no longer the world's most valuable restaurant brand, according to a new report from Brand Finance, the world's leading brand valuation consultancy. McDonald's has become the world's most valuable restaurant brand, with its brand value up 7% to USD40.5 billion.

<div class="df_qntext">Why is McDonald's the world's most valuable restaurant brand?

McDonald's has become the world's most valuable restaurant brand, with its brand value up 7% to USD40.5 billion. According to Brand Finance research, this rise is largely driven by an increase in its Brand Strength Index (BSI) score, which has climbed from 82.9 in 2024 to 90.5 out of 100, earning an AAA+ rating.

<div class="df_qntext">How are convenience store chains ranked?

Chains are listed by parent company and ranked by the number of convenience store locations that the company owns, operates or has franchised. From daily news, product trends, video and strategy, CStore Decisions provides an array of resources for cstore owners.

<div class="df_qntext">Which country has the strongest restaurant brand in the world?

Outside the US, China is represented by Haidilao (brand value USD3.6 billion) - also the world's strongest restaurant brand with a BSI score of 94.1 out of 100, and Luckin Coffee (brand value USD1.7 billion), while Canada, the Philippines, and the UK each contribute on brand.

<div class="df_qntext">Is McDonald's a good brand?

McDonald's also ranks 42nd among the world's 500 most valuable brands. Starbucks' brand value had declined 36% to USD38.8 billion, placing it second among the world's most valuable restaurant brands. Brand Finance attributes this drop to declines in key brand strength metrics in the US and China, including 'reputation' and 'recommendation'.

<div class="df_qntext">How can a restaurant build customer loyalty?

These can include things like menu items, eCommerce websites, an email marketing strategy, delivery apps, text marketing for restaurants, and signs in the dining area. Ultimately, this will help them build loyalty and encourage repeat customer visits.
