

Contact number of italian solar container

<div class="df_qntext">Who is contact Italia?

Contact Italia is a company specialising in mounting systems for photovoltaic systems and switchgear distribution, designed for efficiency, safety and ease of installation. For more than 18 years we have been offering modular and customised solutions for flat, pitched, wall, integrated, ground-mounted and agro-voltaic roofs.

<div class="df_qntext">Why did contact Italia expand its product range?

This expansion reflects Contact Italia's commitment to improving distribution and operational efficiency. The Contact Italia product range includes mounting systems for photovoltaic systems, switchgear and advanced solutions for every type of configuration: flat roofs, pitched roofs, ground structures, carports and agri-voltaic systems.

<div class="df_qntext">Why should you join Italy Solare?

ITALIA SOLARE offers its members a wide range of dedicated services to meet the needs of information and consulting in the regulatory, bureaucratic and technological sectors. Join ITALIA SOLARE and become part of the largest Italian solar photovoltaic community.

<div class="df_qntext">Is contact Italia a step towards a greener future?

With Contact Italia, every day is a concrete step towards a greener future, with high-performance photovoltaic structures and technologies ready to meet the photovoltaic needs of today and tomorrow.

<div class="df_qntext">Why should I subscribe to contact Italia?

Contact Italia is the right place for you. Subscribe to the Contact Italia newsletter to receive exclusive news, updates on our projects, special offers and much more directly in your inbox. Don't miss the chance to be informed about the innovations and trends that are driving the transition to a sustainable energy future.

<div class="df_qntext">Why is contact Italia expanding?

In addition, there is a large 24,000 sqm facility in Matera, in the Jesce industrial area, to support the needs of southern Italy and the islands. This expansion reflects Contact Italia's commitment to improving distribution and operational efficiency.

The Contact Italia product range includes mounting systems for photovoltaic systems, switchgear and advanced solutions for every type of configuration: flat roofs, pitched roofs, ground structures, ...
