

<div class="df_qntext">What is a container hire limited company?

As a container hire limited company, we have a large supply of containers available for sale and hire at all times. We operate across the country to provide shipping containers to our clients, each available for a flexible rental period with prices based per week.

<div class="df_qntext">What is a container rental service?

Our container rental service includes delivery to your site, where the container will remain for a period based on our contract, and the collection of the container at the end of this. An invoice will be issued to outline all charges involved in container hire. There are many reasons why you may want to hire a container.

<div class="df_qntext">How long does it take to hire a storage container?

We provide a complete range of storage containers for hire throughout England. With minimum rental periods of only 4 weeks hiring a storage or shipping container is a cost-effective and popular means of providing storage for construction sites, factories, businesses and households. Types of storage available include:

<div class="df_qntext">What is a 10ft container for hire?

A 10ft container is a great storage solution for large and bulky items that you want to keep secure. They can be anti-vandal at your request and are fully weatherproof. With this in mind, this kind of container for hire is not only a great solution for storage but can also be used on your site as a temporary workspace based on your needs.

<div class="df_qntext">Do you provide container hire per week?

We provide container hire per week and have low prices for every container we have available. To request a quote for container hire from our company, do not hesitate to get in touch with the team today. As a container hire limited company, we have a large supply of containers available for sale and hire at all times.

<div class="df_qntext">What is flexible container hire?
