

What can be placed in the power storage basket green forest

<div class="df_qntext">What is a large cabinet in the forest?

The Large Cabinet, also known as the Snack Cabinet, is a storage building that was added in update v0.13 of The Forest. The large cabinet, much like its smaller cousin, the small cabinet, can be found on the second page of the storage section in the survival guide. It provides space for up to 12 items of the ones named above.

<div class="df_qntext">What is a green key used for?

The Green Key is a tool used for opening closed storage units. A storage unit opened with this key will always be a Desert Shop Room. It can be used if you're in a dire situation and want to sell the valuable items you have as quickly as possible without the risk of losing them. Opening the locked storage rooms. Anywhere.

<div class="df_qntext">What are the key strategies in the forest?

Key strategies involve using custom elements wisely, managing resources, and understanding enemy behavior. These insights aim to improve base efficiency and defense in the game. Building efficiently in The Forest can make survival easier and your base more secure.

I love making the Greg stew but in the 1.0 I can't do that anymore as easily cause you can't use rotten heads. I'm not able to put the heads on drying racks so is there like another way to do that so the ...

There's so much wrong info out there, mainly wrong or old. Is there any arrow storage? Can't see it in the build, nor can I see any quivers to make. And oddest of all, I can't see them in my ...

Shelf storage: Another storage option with increased capacity, shelf storage can hold a maximum of 12 items

What can be placed in the power storage basket green forest

(which may include logs). Drying rack: This structure allows you to dry and ...

I am new to the game and just getting going, storage in my backpack started to be a problem so I built a storage box and a small storage basket. The box was easy enough to figure out how to use but how ...
