

Yonggui electric solar container

<div class="df_qntext">What is Yonggui connector?

Yonggui Electric offers a comprehensive solution for high voltage interconnection systems in the electric vehicle industry. The main products of Yonggui connector include charging connectors,telecom connectors,and energy storage connectors for high-voltage interconnection systems.

<div class="df_qntext">Who is Yonggui electric?

Yonggui provides overall solution and whole interconnection system of high voltage and big current for electric vehicles. In addition to platform products, Yonggui also provides customized wiring harness. Yonggui Electric provides various types of quality railway and industrial connectors.

<div class="df_qntext">Who is Yonggui company?

Yonggui Company ("YGC") is a high-tech enterprisewith 51 years expertise focused on the research and development,manufacturing,sales and technical support of connectors,connector systems and smart precision products. It was listed on Shenzhen Stock Exchange in September 2012.

<div class="df_qntext">Who is Yonggui Thailand?

The Yonggui Thailand Factory specializes in the R&D,manufacturing,and sales of charging connectors,including CCS (European/US standards) and megawatt-level charging connectors,harness assemblies,and related components. Its product portfolio also spans wind power,photovoltaic energy storage systems,and rail transit connection systems.

<div class="df_qntext">What is a solarcontainer?

The Solarcontainer is a photovoltaic power plantthat was specially developed as a mobile power generator with collapsible PV modules as a mobile solar system,a grid-independent solution represents. Solar panels lay flat on the ground. This position ensures maximum energy harvest Panels lays flat on the ground.

<div class="df_qntext">Who is Sichuan Yonggui?

Sichuan Yonggui has successfully developed tens of thousands of industrial electrical connectorsproducts used in a wide range of sectors,including rail transit,new energy,special applications,telecommunications,oil and gas explosion-proof systems,and port machinery.

YONGGUI has established a dedicated testing center, which has obtained CNAS certification. The testing center covers an area of over 2,000m2 and is equipped with more than 200 sets of testing and ...
