

Zambia solar container meter merchant

<div class="df_qntext">Who are the Solar Guys Zambia?

The Solar Guys Zambia are your local solar experts, bringing you the latest in solar technology with products like Freedom Won Lithium Batteries, Victron Energy Solar Equipment, and Canadian Solar Panels. They offer high quality solar installations, from battery back-up to full off-grid solutions, ranging from 3kva to Mega Watt systems.

<div class="df_qntext">Why should you choose a solar company in Zambia?

We are a growing enterprise with an innovative approach to increasing access to affordable solar technology within Zambia. As a business, we follow a clean environmentally friendly approach to maximise our positive social and environmental impact. Within our organisation, we encourage a friendly and professional work environment.

<div class="df_qntext">Where can I get solar advice in Zambia?

Whether you need expert advice or high-quality solar products, we're here to help you make the switch to solar today. Office Number 11, Lonhro House, Cube 1 and 2, Cairo Road, Lusaka, Zambia. © 2024 Insolar - Zambia | We delight in giving you power.

<div class="df_qntext">Why should you choose a solar pump system in Zambia?

Zambia has one of the biggest water resources in Sub-Saharan Africa and our solar pump systems will enable you to access those resources at any place. Either for residential use, irrigation of farm land or industrial applications, solar pumps will ensure an independent water supply at your location.

<div class="df_qntext">Why should you invest in a photovoltaic system in Zambia?

Zambia provides optimal conditions for photovoltaic (PV) with average irradiation rates of 5.5 kWh/m². To harvest that huge source of energy we provide a wide range of photovoltaic solutions for the residential, business and social sector. In general, PV systems can be divided into on-grid and off-grid systems.
